Details And Notes of Problems Encountered and How You Solved It, Dimensions and Sketches to Be Given Wherever Possible

Problem! Some tasks took more man-days to complete they took more time to complete the initial period.

Solution: So, I put extra effort in weekend and night to complete the task.

Problem: They said to refer some YouTube tutorials for gain knowledge that time some topics

unable to understand even though I referred tutorials.

Solution: I asked Seniors and clear my doubts.

Problem: More tasks are new to me so those are difficult to do those tasks

Solution: I practices more and search from internet and more time prefer to seniors
