Test Cases

Test Cases 62

ID	Title	Assigned To	Status	References
T1549	(FE - Design) As a web application user I want to view the popup for pause customer So that I can pause customers I want	Thujeerathan E.	Passed	CIN-857
T1550	(FE - Design) As a web application user I want to view contract details for the specific customer So that I can assign contracts for the particular customer	Thujeerathan E.	Passed	CIN-848
T1551	(FE - Design) As a web application user I want to view the message No details to preview initially So that I can add new customers for the system	Thujeerathan E.	Passed	CIN-841
T1552	(FE - Design) As a web application user I want to add guardian details of the private customer So that I can add guardian details for the particular customer	Thujeerathan E.	Passed	CIN-846
T1553	(FE - Design) As a web application user I want to view the popup for pause customer So that I can pause customers I want	Thujeerathan E.	Passed	CIN-857
T1554	(FE - Design) As a web application user I want to view the popup for edit complaints So that I can edit the raised complaints regarding customers	Thujeerathan E.	Passed	CIN-859
T1555	(FE - Design) As a web application user I want to view the popup for add complaints So that I can raise complaints regarding customers	Thujeerathan E.	Passed	CIN-856
T1556	(FE - Integration) As a web application user I want to upload files of a legal customer So that I can save upload files of a legal customer	Thujeerathan E.	Passed	CIN-1481
T1557	(FE - Integration) As a web application user I want to view paused customers list in a table for the customers So that I can view paused customers	Thujeerathan E.	Failed	CIN-1490
T1558	(FE - Design) As a web application user I want to view the success popup screen So that I can confirm the customer added successfully	Thujeerathan E.	Passed	CIN-852
T1559	(FE - Design) As a web application user I want to view the preview screen for the particular customer So that	Thujeerathan E.	Passed	CIN-851

I can check and confirm the details				
T1560	(FE - Design) As a web application user I want to view the contract details table for a particular customer when editing customer details So that I can view a list of contracts for that customer	Thujeerathan E.	Passed	CIN-1538
T1561	(FE - Integration) As a web application user I want to delete uploaded files of the customers So that I can delete any file after uploading	Thujeerathan E.	Passed	CIN-1496
T1562	(FE - Integration) As a web application user I want to update the status active/inactive in the table So that I can enable or disable customer	Thujeerathan E.	Passed	CIN-1465
T1563	(FE - Integration) As a web application user I want to upload files of a private customer So that I can save files of a private customer	Thujeerathan E.	Passed	CIN-1473
T1564	(FE - Integration) As a web application user I want to get customer list in a table So that I can view customer list	Thujeerathan E.	Passed	CIN-1464
T1565	(FE - Integration) As a web application user I want to view complaints list in a table for the customers So that I can view all complaints of customers	Thujeerathan E.	Passed	CIN-1489
T1566	(FE - Integration) As a web application user I want to filter customer details So that I can easily find customers I want	Thujeerathan E.	Passed	CIN-1466
T1567	(FE - Integration) As a web application user I want to view successful message for the private customer So that I can verify the customer added successfully	Thujeerathan E.	Passed	CIN-1475
T1568	(FE - Integration) As a web application user I want to add complaints for a private customer So that I can add complaints of a private customer	Thujeerathan E.	Failed	CIN-1486
T1569	(FE - Integration) As a web application user I want to add complaints for a legal customer So that I can add complaints of a legal customer	Thujeerathan E.	Failed	CIN-1487
T1571	(FE - Design) As a web application user I want to view individual private and legal customer details So that I can view more details of a customer	Thujeerathan E.	Passed	CIN-1532
T1572	(FE - Design) As a web application user I want to view the customer preview screen So that I can confirm the details	Thujeerathan E.	Passed	CIN-1533
T1574	(FE - Integration) As a web application user I want to get contract details of a legal customer So that I can view contract details of a legal customer	Thujeerathan E.	Passed	CIN-1479
T1578	(FE - Integration) As a web application user I want to add private customer So that I can onboard private customers to the system	Thujeerathan E.	Passed	CIN-1467
T1579	(FE - Integration) As a web application user I want to add basic details for the private customer So that I can save basic details of a private customer	Thujeerathan E.	Passed	CIN-1468

T1580	(FE - Integration) As a web application user I want to add guardian details So that I can save guardian details of a private customer	Thujeerathan E.	Failed	CIN-1469
T1581	(FE - Integration) As a web application user I want to add invoice details of a private customer So that I can save invoice details of a private customer	Thujeerathan E.	Passed	CIN-1470
T1582	(FE - Integration) As a web application user I want to get contract details of a private customer So that I can view contract details of a private customer	Thujeerathan E.	Passed	CIN-1471
T1583	(FE - Integration) As a web application user I want to add special needs of a private customer So that I can save special needs of a private customer	Thujeerathan E.	Passed	CIN-1472
T1584	(FE - Integration) As a web application user I want to view confirm details of a private customer So that I can confirm details before saving a private customer	Thujeerathan E.	Passed	CIN-1474
T1585	(FE - Integration) As a web application user I want to pause a legal customer So that I can activate or deactivate a legal customer	Thujeerathan E.	Passed	CIN-1485
T1586	(FE - Integration) As a web application user I want to pause a private customer So that I can activate or deactivate a private customer	Thujeerathan E.	Passed	CIN-1484
T1587	(FE - Integration) As a web application user I want to enable/disable status of the customer when pausing and unpausing the customer So that I can easily pause/unpause the customer	Thujeerathan E.	Passed	CIN-1488
T1588	(FE-Design) As a web application user I want to view the contract details overview table So that I can view the list of contracts	Thujeerathan E.	Passed	CIN-1023
T1589	(FE-Design) As a web application user I want to view filter contract details popup screen So that I can filter the details I want	Thujeerathan E.	Passed	CIN-1025
T1590	(FE-Design) As a web application user I want to view the overview table of paused contracts So that I can view a list of paused contracts	Thujeerathan E.	Passed	CIN-1026
T1591	(FE-Design) As a web application user I want to view preview screen in add contract in the capture contract So that I can recheck details of a contract	Thujeerathan E.	Passed	CIN-1017
T1592	(FE-Design) As a web application user I want to view pause contract popup screen So that I can pause an individual contract	Thujeerathan E.	Passed	CIN-1022
T1593	(FE-Design) As a web application user I want to view basic details in add contract screens in the capture contract So that I can add basic details of a contract	Thujeerathan E.	Passed	CIN-1014
T1594	(FE-Design) As a web application user I want to view contract details in add contract screens in the capture contract So that I can add contract details of a contract	Thujeerathan E.	Passed	CIN-1015
T1595	(FE-Design) As a web application user I want to view file upload in add contract screens in the capture contract So that I can upload files of a contract	Thujeerathan E.	Passed	CIN-1016

T1596	(FE-Design) As a web application user I want to view contract added successfully popup screen So that I can ensure whether contract added successfully	Thujeerathan E.	Passed	CIN-1018
T1597	(FE-Design) As a web application user I want to view the global pause contracts popup screen So that I can pause multiple contracts	Thujeerathan E.	Passed	CIN-1029
T1598	(FE - Integration) As a web application user I want to view contract details list in a table So that I can view all the contracts created for customers	Thujeerathan E.	Passed	CIN-1629
T1599	(FE - Integration) As a web application user I want to view paused contract details in a table So that I can view all the paused contracts	Thujeerathan E.	Passed	CIN-1029
T1600	(FE - Integration) As a web application user I want to add basic details when adding a new contract So that I can add basic details of a contract when creating	Thujeerathan E.	Passed	CIN-1633
T1601	(FE - Integration) As a web application user I want to add contract details when adding a new contract So that I can add contract details of a contract when creating	Thujeerathan E.	Passed	CIN-1634
T1602	(FE - Integration) As a web application user I want to upload files when adding a new contract So that I can upload any files of a contract when creating	Thujeerathan E.	Passed	CIN-1635
T1603	(FE - Integration) As a web application user I want to delete uploaded files when adding a new contract So that I can delete and re-upload files again	Thujeerathan E.	Passed	CIN-1636
T1604	(FE - Integration) As a web application user I want to view confirm details screen when adding a new contract So that I can verify all the details again before submitting	Thujeerathan E.	Passed	CIN-1637
T1605	(FE - Integration) As a web application user I want to get contract details when editing a contract So that I can view the details that added previously when editing	Thujeerathan E.	Passed	CIN-1638
T1607	(FE - Integration) As a web application user I want to pause an individual contract So that I can deactivate the contract	Thujeerathan E.	Passed	CIN-1644
T1608	(FE - Integration) As a web application user I want to view edit history in a table in contract details individual screen So that I can view all the edit history in a table	Thujeerathan E.	Passed	CIN-1643
T1609	(FE - Integration) As a web application user I want to retrieve and view individual details of a contract So that I can view more details of a contract	Thujeerathan E.	Passed	CIN-1641
T1610	(FE - Integration) As a web application user I want to filter contract details in the table So that I can view specific contracts by filtering	Thujeerathan E.	Passed	CIN-1631
T1611	(FE - Integration) As a web application user I want to get the contract details into a table So that I can view the contract details of a particular customer	Thujeerathan E.	Passed	CIN-1747
T1612	(FE - Integration) As a web application user I want to pause a contract from the global pause contract option	Thujeerathan E.	Passed	CIN-1632

So that I can deactivate any contract from the list

T1613	(FE - Design) As a web application user I want to view recently added contract as first record and contract no column should be as row numbers So that I can view the recently added contract easily	Thujeerathan E.	Passed	CIN-1821
T1614	(FE - Design) As a web application user I want to view individual contract details screen SO that I can view more details of a contract	Thujeerathan E.	Passed	CIN-1640
T1615	(FE - Design) As a web application user I want to view edit history table in contract individual screen So that I can view edit history every time when any updates take place	Thujeerathan E.	Passed	CIN-1642
T1616	(FE - Design) As a web application user I want to view a popup screen asking for confirmation when pausing a contract So that I can verify that want to pause a contract	Thujeerathan E.	Passed	CIN-1645

Test Cases 1

ID	Title	Assigned To	Status	References
T1606	(FE - Integration) As a web application user I want to edit a contract So that I can update any specific details in contracts	Thujeerathan E.	Failed	CIN-1639
